## We Buy and Sell All Brands!

At AB Controls, we understand how important it is for your system to be up and running at all times. With over 25 years experience, our staff is both well educated and well seasoned in all things commercial HVAC.

Has the manufacturer of your HVAC system told you they have discontinued a crucial controller or part? ***Have they rendered an entire system obsolete and then insisted you pay for an expensive upgrade?*** Is your current system in otherwise great shape?

### ***You are no longer forced to install an expensive upgrade!***

Keep your current system running until **you** decide you need to upgrade. We offer all brands! In-production new and used; as well as obsolete and hard-to-find controllers including: Alerton, American Auto-Matrix, Andover, TAC, Automated Logic, Barber Colman, Circon, Delta, Distech, Honeywell, Invensys, Johnson Controls, KMC, Novar, Reliable, Robertshaw, Siebe, Siemens, Smart Controls, Trane, Voyant, York and more!

**Keep your current HVAC system running perfectly until YOU decide it's time to upgrade.**

## Q&A

### **Will the parts I buy have a warranty?**

Yes! We stand behind every part we sell. Every controller comes with at one-year warranty and are guaranteed to be in perfect working order.

### **Do you offer technical support on controllers?**

Yes! We have over 25 years of commercial HVAC experience with these parts and know all the major brands.

### **I have parts to sell. Do you buy surplus parts?**

Yes! We invite you to send a list of your surplus parts, any brand, new or used to: [Parts@WeBuyDDC.com](mailto:Parts@WeBuyDDC.com).

### **Do you have both new and obsolete parts?**

Yes! We offer all brands, in-production new or used, as well as obsolete, discontinued and hard to find controllers.
